Lawn Care

Spring Lawn Care

No fertilizer, but there are plenty of other activities to do in the lawn this spring to green up and get healthy. For cool-season (fescue) lawns

3/31/09 4:00 pm Clover Hill Library
4/7/09 4:00 pm Chester Library

Establishing a Warm-Season Lawn

Tired of the wiregrass fight? Consider converting to a warm-season, drought-tolerant lawn

4/23/09 2:00 pm Cooperative Extension
Classroom

Vegetable Gardening

Small Space Vegetable Gardening

Not enough room for a vegetable garden? Think again! You can grow fresh vegetables easily and in a small space—learn how

3/3/09 6:30 pm Clover Hill Library
3/31/09 4:00 pm Chester Library

Growing Tomatoes: Common Problems

Tomato plant problem solver

5/14/09 10:00 am Cooperative Extension
Classroom

Virginia Cooperative Extension programs and employment are open to all, regardless of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperative. Mark A. McCann, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; Alma C. Hobbs, Administrator, 1890 Extension Program, Virginia State, Petersburg. If you are a person with a disability and desire any assistive devices, services, or other accommodations to participate in this activity, please contact Sherry Minnicino, Chesterfield Cooperative Extension Office at (804) 751-4401/TDD* during the business hours of 8:00 a.m. and 5:00 p.m. to discuss accommodations 5 days prior to the event. *TDD number is (800) 828-1120.
