Clarke 4-H Connections

September 2010

Dear 4-H Families and Friends,

Wow! What an eventful Spring and Summer it has been for everyone! And, the Clarke County Fair was an excellent way to end the Summer and the 4-H year. Everyone seemed to have had a great time and did a wonderful job at showing their exhibits whether it was animals, baked goods, photography, crafts, or any of the other many categories at the fair. *Congratulations to everyone on their participation and hard work!*

All fair exhibitors should send thank you notes to anyone who sponsored an award that you received and to their buyers. It is very important to thank these folks with a letter. Without their sponsorship, we would not have the awards to recognize your accomplishments. We received several phone calls from sponsors last year expressing their disappointment that they did not receive a thank you from recipients. Let's do a better job this year!

Buyer and Award Sponsor lists have been emailed or mailed to livestock exhibitors. If you do not know who purchased your animal, call the Extension Office, and we will give you the information you need. Exhibitors need to show their FFA Advisor or the Extension Office their thank you letters by Wednesday, September 15th.
