

Why 4-H Camp?

Meet New People:

Greene County 4-H is our camping partner during the week, and campers from both counties will be bunked together.

Develop New Skills:

4-H encourages youth to “learn by doing”. Campers are encouraged to try new activities while at camp.

Quality Camping Experience:

Holiday Lake 4-H Educational Center is American Camp Association accredited, and requires a 1:8 supervision ratio. Campers are supervised by trained adult and youth volunteer leaders from Fluvanna and Greene Counties, as well as by Holiday Lake 4-H Educational Center staff.

Nestled among tall, whispering poplars and Virginia pines of the 19,000-acre Appomattox-Buckingham State Forest, and caressed by beautiful, clear, Holiday Lake, this 4-H educational Center is the best kept secret in Virginia. Since 1941, 4-H members and volunteers have enjoyed the experience of camping at historic and rustic Holiday Lake 4-H Center.

The 4-H Center is accredited by the American Camp Association for safety and quality. 4-H Camping exposes youth to new and exciting educational experiences. It's also just plain fun!

4-H Camping Objectives:

To have educational, recreational, and social experiences in outdoor living away from home.

To provide opportunities to meet and learn how to get along with other people by living together and participating together in a camping experience.

To provide opportunities for youth to learn to take responsibility for their own decisions and actions.

To provide new experiences for youth by exploring new interests or by exposing them to new approaches to old interests, such as nature, aquatics, music, and other life skills that cannot be provided as effectively outside of camp.

To teach youth about citizenship and the importance of being a responsible citizen.

To discover and provide opportunities for developing leadership skills.

To discover special talents among campers and teen leaders and provide opportunities for developing these talents.

To have fun.
