Peninsula Chapter

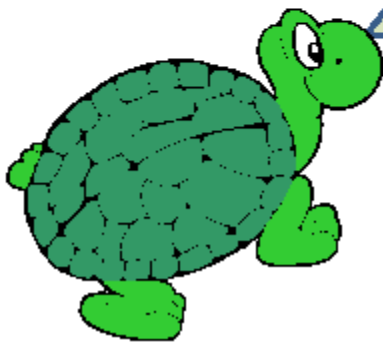

Virginia Master Naturalist

Ask yourself...

- Are you curious about nature?
- Do you enjoy the outdoors?
- Do you want to make a difference in the environment?
- Do you care about the natural areas and native species in your community?
- Do you want to be actively involved in managing, conserve, and researching about Virginia's natural resources?
- Do you have time to complete the training?
- Do you have time to complete the volunteer service?
- Are you interested in being a part of a local team and interacting with other individuals who care about natural resources?

Virginia Master Naturalists
are volunteer educators,
citizen scientists, and
stewards helping Virginia
conserve and manage
natural resources and
public lands.

If you are a person with a disability and desire any assistive devices, services or other accommodations to participate in this activity, please contact Megan Tierney, Virginia Cooperative Extension, 101 N. Armistead Ave., Suite 200, Hampton at 727-1401 during business hours of 8:00a.m. and 5:00p.m. to discuss accommodations 5 days prior to the event. Virginia Cooperative Extension programs and employment are open to all, regardless of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Edwin J. Jones, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; Jewel E. Hairston, Interim Administrator, 1890 Extension Program, Virginia State, Petersburg.
