

What are Cloverbuds?

We learn about healthy living, earth environment, citizenship, plants and animals, consumer skills, science and technology, personality development, and expressive arts.

Our goal is to promote children's healthy development—mentally, physically, socially and emotionally.

If you are a person with a disability and desire any assistive devices, services, or other accommodations to participate in this activity, please contact Virginia Cooperative Extension, Louisa Office, at (540) 967-3422 during business hours of 8:30 a.m. to 5:00 p.m., Monday through Friday, to discuss accommodations one week prior to events.
